# IMPORTANT SUMMER

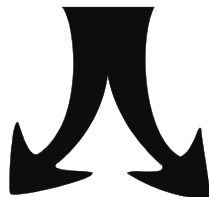

## REGISTRATION INFORMATION:

Please carefully and completely review all of the information in this brochure. Due to significant limitations in program space, Monomoy Summer programs will have limited space available.

- All summer programs will run for the 8-week period (June 29 - Aug 21) and require a \$25 non-refundable registration fee (per family), due at registration. Fees listed are for the entire 8-week program. Program fees are used to offset transportation, supervision and administrative expenses. Monomoy will assess a \$10.00 fee for each subsequent schedule change.
- Should sign-up exceed available space, a lottery will be implemented.
- Please note that priority for all scholarship funds is given to Chatham year-round residents.
- In an effort to meet the needs of Chatham's working families, programs will maintain an enrollment priority for year-round, full-time, working parents residing in the Town of Chatham.
- Enrollment choices are based on the grade your child just completed in June 2009. If your child is not already enrolled in a Monomoy program, please bring proof of age/grade to registration.
