

Guess Who Came to Dinner?

Incredible food, delightful music, and a remarkable show of support for Monomoy Community Services, Chatham's local family resource center, made the best night in July even better! The Staff, Board and Families of Monomoy Community Services are indebted to the businesses, individuals and guests who made this year's Taste a wonderful evening and, in doing so, have helped to make sure our programs will continue to be available during the coming year.
