Participant & Parent Behavior Agreement

Monomoy strives to provide a positive placement for each child by offering warm, nurturing caregivers and varied programming. Given the limited number of childcare resources available to local families, Monomoy will make every effort possible within the supervisory, spatial, and financial limitations of the organization to meet the childcare needs of enrolled families. However, from time to time, we are not able to guarantee the most appropriate placement for every child.

Monomoy maintains supervisory staff/student ratios that exceed all MA EEC requirements and strives to provide each child enrolled with individualized attention and opportunities to work, play and learn with his/her peers and teachers in small group settings.

However, some students require supervision that exceeds the standards and resources our organization is able to provide. Some participants demonstrate behavior that requires significant one-to-one supervision, a service not within the scope of our school-age childcare program.

Therefore, the Director reserves the right to withdraw any child whose needs are not being sufficiently met, whose behavior jeopardizes the health, safety and/or welfare of the other program participants or who demonstrates a lack of respect and regard for the Monomoy program, staff, facility, and/or other Monomoy program participants.

I, _____, as parent/legal

guardian of. _____,

have read the Monomoy Community Services Childcare Program Behavior Agreement and understand that I am responsible for the consequences of my child's behavior in the Monomoy childcare program. **In the event that my child's behavior jeopardizes his/her own health, safety and well-being or that of the other program participants, or demonstrates a lack of respect and regard for the Monomoy program, staff and facility,** my child may be denied further attendance in the Monomoy childcare programs.
